

EXT. GLENEAGLE - MIDDAY

Close up of a briefcase being carried. SPY #1 is walking from the left of the screen and leaves at the right of the screen.

SPY #2 is seated and notices Spy #1 is approaching them with a briefcase in their hand. Spy #2 looks over them suspiciously.

Spy #1 stops in front of where Spy #2 is currently sitting. They look away, aloof.

SPY #1

The school bell tolls for no one...

SPY #2

... And yet they toll for me.

Spy #1 puts the briefcase beside Spy #2. Spy #2 glances up at them for the first time.

SPY #2

And what do I owe the black dog?

Spy #1 looks scoffs and gives a first, hard look at Spy #2.

SPY #1

You don't owe the black dog anything, only
the brown dog hears the toll.

Spy #1 coolly walks off to the right without looking back.

Spy #2 Opens the briefcase and the bomb explodes that was within the briefcase.

Spy #1 smirks as they walk out of the frame.

THE END
